

Passed “Fun” Foods

This menu consists of *casual* food that is made to be more than just a bite or two. It is an alternative to a traditional chafing dish buffet, but equally as effective. Items are either handheld or require a small plate and cocktail fork to eat with. Servers will continuously tray pass your selection food until everyone has had their fill.

Stationary Items

Platters of Fresh Sliced Fruit and Vegetable Crudite

Bowls of Roasted Red Pepper Hummus & Tomato Basil Bruschetta with
